Adam Levine	Website Coordinator

Bradley Blair	WBHS Director
Betsy Beaman	Raffle Coordinator/Social Media Coordinator

Meeting called to order at 7:30 p.m. by Caroline.

Presidents Report

Caroline has narrowed down the best card/tap option to be Square. There is a 2.6% fee plus \$0.15 processing fee. It makes more sense for our group than our other options- Givebacks and Stripe. We may need to move the raffle table closer to the windows to have better reception. We are not going to advertise card payments as an option until we do this test run at the October concert. We will need more coverage at the table for people to be taking both card/cash payments. Belinda Beasley is a potential new volunteer interested in helping with the raffles at WBHS.

Old Business

A motion to accept the September meeting minutes was first approved by Sharona and seconded by Betsy, approved unanimously by all at 7:37 p.m.

Sharona advised the Red Robin fundraiser earned \$371.27. They will be cutting us a check and she will confirm how we should pick that up.

A motion to accept the Treasurer's Report was first approved by Betsy and seconded by Leah, approved unanimously by all at 7:41 p.m.

Flower Fundraiser

We finished strong with a total of 1127 plants sold. With the change in price, we are looking at about \$3800.00 profit from the fundraiser. We have more deliveries with this sale than in our past couple of sales. Kim will have a truck to help with this but help with this would be greatly appreciated. We have a handful of parent volunteers that have reached out and Bradley confirmed a good amount of students will be there to help at the early shift.

Raffle/Social Media Coordinator

Betsy confirmed who has what supplies for the raffle. Everyone will bring what they have to the concert in October (Kim- money boxes and tickets, Caroline- bucket, Bradley- checking for sign at the school). Moving forward Betsy will be the keeper of all the raffle supplies and will hand them out to whoever is running the raffle for each concert. If you need anything posted to social media or assistance with any flyers, please reach out to her.

Website Coordinator

Adam has no big updates currently with the site. He is experienced and able to assist with Square. He can even put an option on the website for monetary donations that can be taken at any time, even when not in an active fundraiser. If we add this option to the site, any monies donated would go straight to the account linked to Square.

Directors Report

-Ms. Rosenberg – JMS

No major updates. Leah has a \$100 donation check for flowers that she will give to Dave. Spirit wear money will be coming to Dave, just invoiced today. She is requesting reimbursement for her professional membership dues and some miscellaneous supplies purchased for her classroom. She is also working on

a potential 7th grade field trip in the spring to the Virginia Symphony Orchestra for a 'Coffee Concert'. The cost is \$15 per child. She is checking to see if any money is put aside for string concerts. Potentially requesting WBOPA cover \$5 of the cost.

-Mr. Blair - WBHS

Bradley had 16 student's tryout for SRO with 4 making it. He will confirm registration costs. He will also confirm with our guests for the October concert regarding any potential conflicts with our raffle. The registration for the Orlando trip closed and there are 16 spots remaining. He will possibly open it to freshman. He is going to look into some fundraising options for those students that may have been deterred from signing up due to the cost. Some options he is going to check into are the FLAG assistance program, Gift of Education and he will reach out to his previous fundraising contact for ideas.

New Business

No new business.
